Subject: Chapter 11 case n° 09-50026 (REG)

Dear Sir, Honorable Court,

We are hereby reaffirm, on behalf and on behalf of my Client Mr. Massimo Chiodi, who lives in Paradise -Switzerland - Boggia Street n° 10, his indisputable right to creep into bankruptcy proceedings concerning the pre-General Motors (chapter 11), together with that of being compensated - in the form and manner to be decided - the entire amount corresponding to that held by General Motors bonds, plus interest accumulated and accrued at the time of liquidation.

My Client owns General Motors Bond of USD 20,000.00 and EUR 5,000.00 stored at the warehouse and trading n° 5137.90.78 of PostFinance, in turn, represented by the Bank Vaudoise in Switzerland.

Please, therefore, be taken into due consideration the above facts and to evaluate the practical capacity for the repayment of General Motors Debtor to creditors or investors, to accept the claim for damages and not to expunge the claim from any exposed - even before today - from my Client.
